Comments are limited to three minutes per person for a total of 30 minutes. An individual may speak a second time after all others who wish to speak on the topic have been heard.

Please understand that our public forums are not structured as question and answer sessions, but offered as opportunities to share your thoughts with the Board. All statements shall be directed to the presiding officer and no participant may address or question Board members individually. All speakers are requested to express themselves in a civil manner with due respect for the dignity and privacy rights of others whose legal rights may be affected.

Please note: While it is not the Board’s intention to stifle comment on matters of legitimate concern to the school community, the public should be aware that if their statements violate the rights of others under the law governing defamation or invasion of privacy, they may face personal liability to the injured party. If speakers are uncertain of the legal ramifications of their comments, the Board urges them to seek guidance beforehand from their own legal advisor.
