

Whiton Summer Reading 2018

Hello parents!

This summer all students entering grades K-3 will be encouraged to read our "One Book One School" reading choice: *The Dot* by Peter Reynolds. This charming story teaches about creative expression, taking risks, and dreaming big! When we return in September, all students will participate in similar activities to celebrate the book.

To be prepared, it is strongly recommended that you read the book with or to your child. As you read, you might want to discuss:

- ❖ The actions of the character
- ❖ How the character is treated
- ❖ The lesson that the author is trying to teach us

We also encourage all students to read daily during the summer to keep practicing the skills and strategies learned this past school year. Here is a link to exciting series that we recommend: [Leveled Book List](#)

ENJOY READING!!!

Thank you.
